Week 4 Term 4

Principal's Message

Our Kindergarten Orientation has commenced and is off to a good start. Our program is excellent and very successful in assisting our new students in transitioning to school. Thank you to Mrs Malone and Miss Bladwell who are conducting the program.

Many of our families have taken the opportunity to download the free school app from the App Store. The app is continually being updated and provides parents with information when events are coming up. So if you haven't already downloaded it, we recommend that you do. We are continuing to try to improve our lines of communication with our families as it has been an area identified by many of you as needing improvement. The executive are investigating other applications that we can use to communicate what is happening in our great school such as Facebook and Movie Pond. These are two applications we are hoping to get up and going in 2018.

We have had several cases of head lice in the past few weeks. They are always present in schools and quite hard to eradicate. It is important that parents regularly check their children's hair and treat if necessary. It is recommended that children with long hair keep their hair braided or tied up when at school. Little children often put their heads together when working and talking, and this is when they are transferred from one child to another.

Leonie Pearson

Term 4

Week 6

- 13 November** Swim School commences
- 15 November** Yr 6 Mulwaree HS Placement
Test and Orientation Evening

Week 7

- 24 November** Last day of Swim School

- 5/6M:** Logan, Rohan
- 5/6W:** Tyrese, Kaydin, Daina

Pokemon Tournament

Well done to Bradley coming first place and Declan, second place in the Pokémon Tournament. A special mention went to Oscar for helping Mr Webb organise the event and keeping it on track.

Thank you to Mrs Bensley and the SRC for working with Legacy and raising money for a well deserved cause.

Class 3/4T presented Assembly last week with some fascinating pieces of perspective artwork.

Let's be proud of our school and wear full school uniform everyday.

Welcome to our Kindergarten Orientation Groups who started this week. We hope you all enjoy learning wonderful new things at Goulburn North and we look forward to seeing you all next year.

Late to School - Please come to the Office with your parent and get a late slip to give to your classroom teacher. All children must be accompanied by an adult who brings them to school.

Gurangatch and Mirrigan

Alfie Walker came to our Assembly last week to give us a little taste of a play which he will be performing. The play is an Aboriginal story about how the Wombeyan Caves and the Wollondilly River were formed when a large fish called Gurangatch and Mirrigan (a tiger cat who was a renowned fisherman) were fighting.

The Lieder Theatre came along on the performance day and mesmerized the children with the wonderful story of Gurangatch and Mirrigan. If you missed the performance it is still running at the Lieder Theatre so go along and enjoy the play.
