Term 4 Week 4

Principal's Message

Term 4 Calendar

We have organised for our end of year presentation ceremonies to be filmed and placed on Class Dojo. Due to COVID-19 we are unable to have any community members be a part of the ceremonies unfortunately. Students have had a really difficult year with broken schooling and all the anxieties around the pandemic so we are looking forward to being able to celebrate our students accomplishments and efforts.

A reminder to those families whose child is sitting the Opportunity Class Test this year that the test will take place here at Goulburn North to avoid unnecessary mixing of students because of COVID-19. The test date is Wednesday, 18th November.

Our Kindergarten Orientation has just completed the first week. So far things are going well and we are happy to be able to give them a good taste of 'big school'.

We have had an influx of 2021 Kindergarten applications just this week. Please, if you have a child who is to start school next year, let us know so they can be included in the orientation program and we can make organise classes for next year.

Leonie Pearson

Yrs 3&4 Virtual Presentation

15 December Yrs 5&6 Virtual Presentation

16 December Last day of school

2021

Students return to school on

Friday, 29th January.

Kindergarten commence 2nd February, 2021

The spotlight for this week is *We respect our environment!*

The importance of caring for the environment is absolutely paramount for many reasons. Our environment is responsible for plants, animals, food chains, the water and much more.

- We get food from animals, plants, birds and fish which are all part of our environment.
- We breathe in oxygen from our atmosphere.
- We get water from the rain which fills lakes and rivers and we store it in dams, reservoirs, and water tanks. We extract materials from the earth which we use to make products such as clothes and houses.

Perhaps most importantly, we need to make sure that we leave this place better than when we came for the generations to follow. It wouldn't be fair to hand them something we fouled up that they are responsible for cleaning up.

AWARD WINNERS

- KN Nate Elijah
- K/1R Jye Hannah
- 1B Lacie Tyler
- 2F Lachlan Mason
- 2L Billy Alicia
- 3/4M Toby Chyanne
- 3/4B Briley Shelby
- 4/5L Liam Kalle
- 5/6J Rorie Ben
- 5/6H Merinda Sean
- 5/6O Olivia Jaxon

Year 7 Entry into Selective High School in 2022

Applications for Year 7 entry to selective high schools in 2022 will be accepted from Tuesday, 13 October 2020 to Monday 16 November 2020.

Parents must apply online at:

<https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>

All applications are required in order to sit the Selective High School Placement Test to be held on Thursday, 11 March, 2021.

Your child will receive a form, 'Intention to Apply' that will contain information on how to apply if you are interested. Please note, this form is not an application, you will need to apply online if you wish to go ahead.

2L have been working on a Geography unit where they are studying the features of different places

They looked at a city designed in Lego and discussed what facilities the Lego design was missing that are needed for a real city.

Students worked in groups to decide what facilities their city needed, then they designed them.

GOULBURN NORTH CANTEEN

Aurora College

The virtual selective school for rural and remote students

Aurora College is NSW's first virtual selective school, offering a mix of online and residential school classes.

The school provides innovative, flexible learning in a whole new context, by allowing students to connect locally and learn globally.

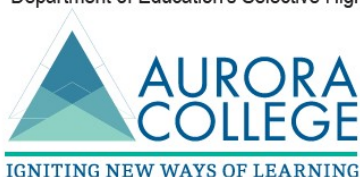

Aurora offers selective classes in English, mathematics and science to gifted and talented Year 7-10 students from rural and remote areas across NSW.

Students connect with their teachers and classmates in timetabled lessons through a cutting-edge virtual learning environment.

Aurora College offers students expanded career options through innovative partnerships with businesses and with scientific, cultural and tertiary education institutions.

Applications for Year 7 (2022) are now open.

Students in the selective stream gain entry through the NSW Department of Education's Selective High Schools process.

Applications for entry into Year 7 in 2022:
Opened 13th October 2020
Close 16th November 2020

Visit Selective High Schools website
<http://bit.ly/shs2019>

For further information about Aurora College, visit our website
www.aurora.nsw.edu.au | or phone 1300 287 629

Special Photo Orders

Special group photos can be ordered from the office for \$16.00 each.

- School Captains and Prefects
- House Captains
- SRC members
- PBL members

If you would like to order any of these photos, orders will be taken at the office, along with payment in cash only. Orders must be made before Wednesday 18th November 2020, no late orders will be accepted.
