

Term 3 Week 6

Principal's Message

Dental Check-Ups

Dental check-ups are unlikely to happen this year. It is recommended that we all have our teeth checked twice a year. When was your child's last dentist visit?

In Goulburn we have a number of options to make dental appointments for children.

1. Use your private health insurance with a dentist, check with your fund as children are often covered for regular checks, preventative treatment and mouth guards.
2. Child Dental Benefits Scheme—are you eligible? Check with Medicare. When making an appointment with a private or public dentist please let them know that you are eligible.
3. Goulburn Dental Clinic—all children are eligible 0 to 18 years. To make an appointment call 1800 450 046. Have your Medicare card with you.

Leonie Pearson

1/2W won the RESPECT trophy in Week 5. Well done 1/2W!

Term 3

Week 8

1 September Goulburn HS Taster Day—
PDHPE & Food Tech

Cookie Dough arrives

Week 9

9 September Celebration Day—
Loud Shirt SRC fundraiser

10 September Mulwaree HS Orientation Day

Week 10

13 September 6:30pm P&C Meeting

15 September **SCHOOL PHOTOS**

17 September Last Day of Term 3

Term 4

5 October Students return to school

Week 8

23 November Mulwaree HS
Orientation

Kindergarten 2022 Enrolments

Do you know any family or friends within the Goulburn North community who have children beginning Kindergarten next year?

If you do, don't forget to collect and submit an enrolment form for Kindergarten 2022.

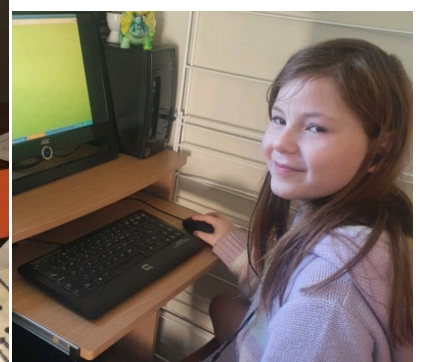

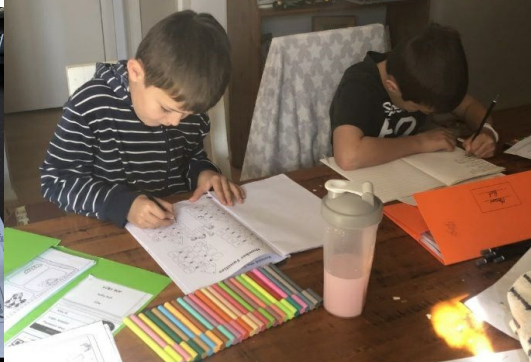

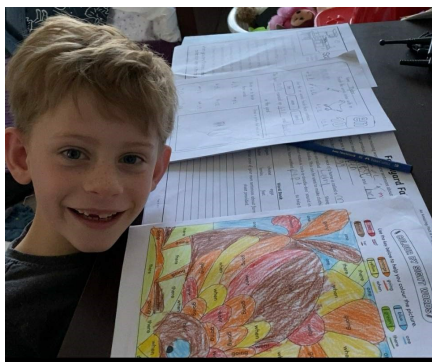

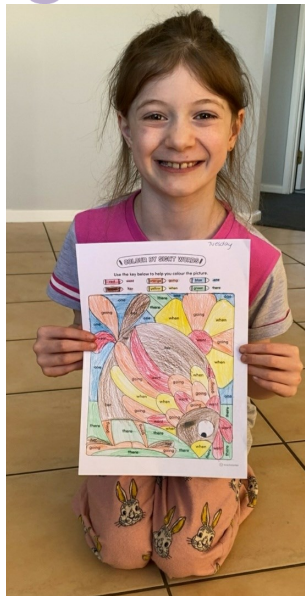

COVID-19 permitting we will hold a transition to school program and hold interviews with parents and caregivers to support the transition to school in Term 4 , ensuring a smooth and successful start to Kindergarten.

Enrolment packs can be collected from the office or accessed online at:

<https://goulburnnp.schools.nsw.gov.au/about-our-school/enrolment>

Figure This!
Math Challenges for Families

How **long**?
do you have to
stand in line?

Figure This! How long do you think you would have to wait in this line if you hold number 300?

Hint: Estimate the amount of time it would take for one person to buy a ticket. Use this estimate to find the amount of time you will have to wait in line.

Estimation and measurement of time are basic skills for all. Businesses such as banks, fast-food restaurants, ski areas, and airports need efficient ways to minimize time spent waiting in line.

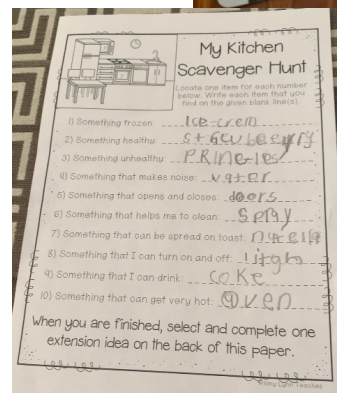

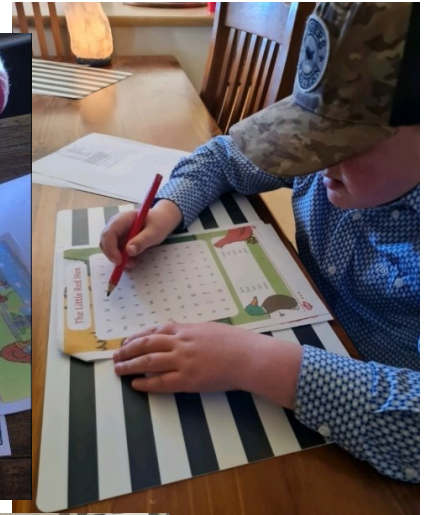

Write down how you reached your answer and send it to your teacher or email it to goulburnnp-school@det.nsw.edu.au
Attention Ms Pearson.

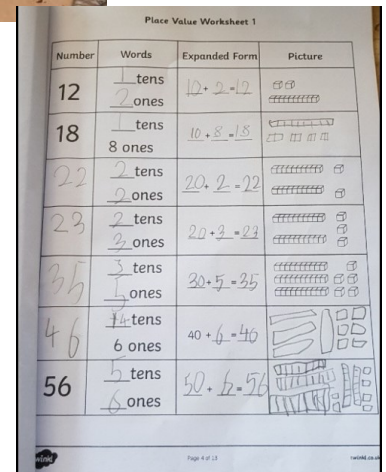

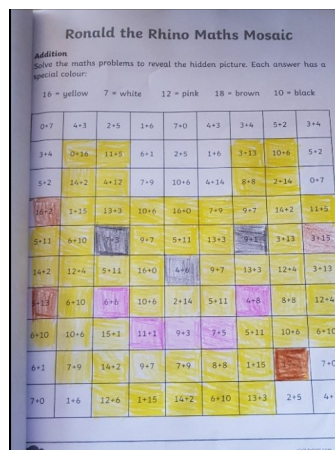

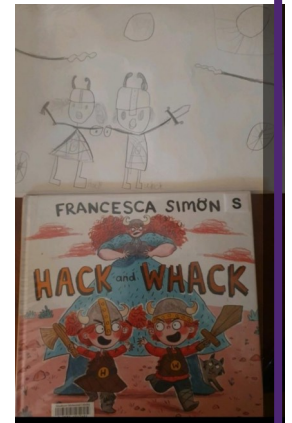

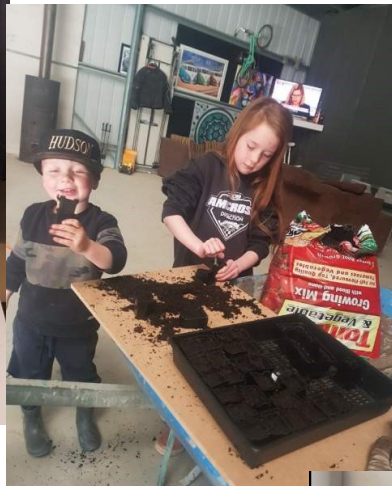

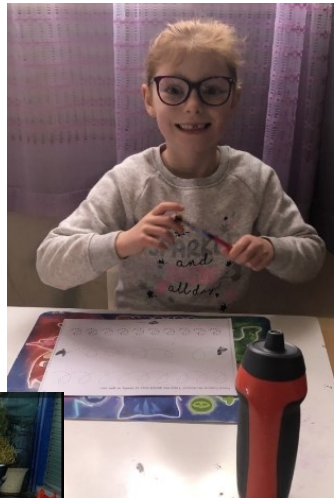

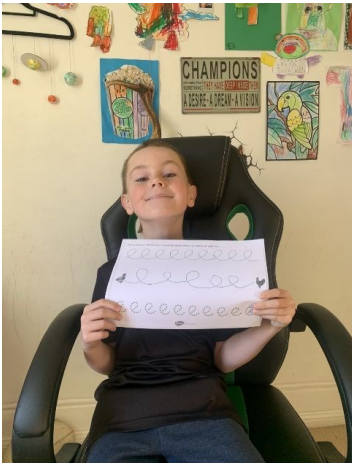

Interesting fashion accessories by Finn and Ruby!

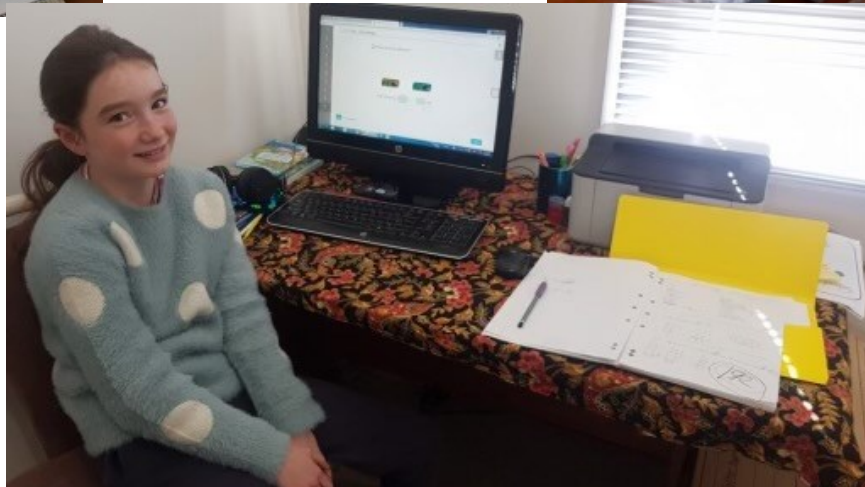

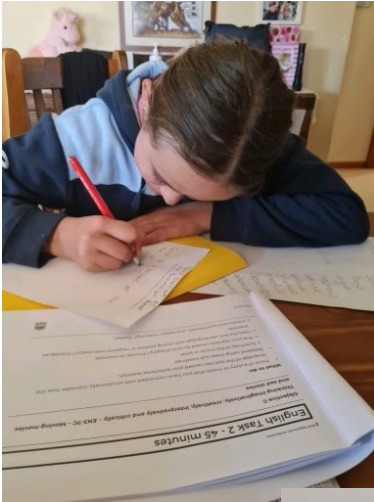

1/2B working from home

Well done Amelia!

Could you change a life?

Foster carers play a vital role in changing the lives of vulnerable children and young people through providing support, nurturing, guidance and love.

*It's a special job that needs someone with an extraordinary heart.... **Someone just like you!***

It's not always easy, but training and support is available. We provide 24 hour on-call support, a generous tax free allowance, regular home visits and professional training.

If you feel that you would like to become a Foster Carer with us, please get in touch with our friendly team.

"Making the decision to help vulnerable children has been one of the best decisions I've ever made."

Book Week Activity Grid

Spend some time celebrating book week by choosing one or more of these activities. You can share photos of how you celebrate book week on ClassDojo. As we can't have a book week parade, I would like everyone to dress up in a Book Week costume and post to ClassDojo. I will try to put them all together to share with everyone the following week.

Take a photo of you reading in an unusual location. It could be a funny reading pose or a photo of where you are most comfortable reading (while still in costume).	Design a poster for book week using the theme "Old worlds, New worlds, Other worlds".	Design a book character costume. This could be made from things you already have at home or you can draw a picture and label the things you need to make it.	Decorate a cake or cupcakes to represent a book or book character.
Read a book with your pet or your favourite cuddly toy.	Design a book character artwork. Make a drawing, paint a picture, use craft materials or even make a model using playdoh!	Think of an old world, new world or other world and write a story in that world.	Design a new book cover for one of the shortlisted books or a book you have at home.
Create a diorama of part of a book you have read.	Create a book trailer for your favourite book or the last book you read.	Make a library or scene from a book in Minecraft and take a photo of it.	Design a book week themed face mask. It could be based on the theme or one of your favourite
Use Lego to build a library that your mini figures can visit. Remember libraries need spaces to read as well as books.	Write a description of a book you have read using 20 words or less.	Take a photo of your toys reading a book in different places around your house.	Spend time reading a book you love with someone that lives with you.
Rewrite the ending of your favourite book. You could add a new page to the end of a picture book or a new chapter for a novel.	Imagine you have discovered an animal in a New world or Other world and create an encyclopaedia entry for that animal. Include a picture of what it looks like as well as its name, diet, location/habitat, description and how it was	Write a book review of a book you have read during lockdown. If we have that book in the school library, you can add your review to the library search engine.	Make a bookmark!
