Principal's Message

Term 4 Week 5

The Billy G's Gourmet Cookie

Dough finally arrived! A special thanks to Kylie Barnes for the meticulous planning and thought that went into this operation.

A special thanks also to Ally and Matt Condylios for lending us the space to unload and distribute the cookie dough from and helping out. Current restrictions meant we couldn't do it from school so Ally and Matt kindly allowed us to use their shop, Hogan's General Store. Thank you also to Max and Monique Dean, and Georgia Fern for helping with the distribution of dough and supporting the us.

Altogether we sold 1 915 tubs of cookie dough! That is a profit of \$6 702.50.

The student who sold the most number of tubs was Ava in 3/4L. She sold 131 tubs and raised an amazing \$458.50. Thank you Ava and those who supported her. The funds are going towards playground structures that will help to provide our students with a more engaging playground.

The Importance of Being Kind

It is important to be kind and support others. Being kind means:

- Supporting and caring about other people by helping them when they need it
- Being thoughtful and generous
- Giving encouragement
- Listening when someone has a problem
- Being patient with them when they find it hard to do something

Important things to remember is that you don't need to know someone to be kind. You don't need to like someone to be kind.

When we do something kind to another person, it actually makes us feel good.

Kindergarten 2022 Enrolments

Do you know any family or friends within the Goulburn North community who have children beginning Kindergarten next year?

If you do, don't forget to collect and submit an enrolment form for Kindergarten 2022.

COVID-19 permitting we will hold a transition to school program and hold interviews with parents and caregivers to support the transition to school in Term 4 , ensuring a smooth and successful start to Kindergarten.

Enrolment packs can be collected from the office or accessed online at:

A MESSAGE FROM NSW Health

Help us keep our schools COVID-19 safe.

- **Keep your kids at home if they're unwell and get them tested**
- **Remind your kids to sanitise or wash their hands regularly**
- **Kids in year 7+ must wear a mask indoors, and masks are strongly encouraged for primary aged students**

Despite the highly contagious Delta variant, most kids diagnosed with COVID-19 during the current outbreak have had mild or no symptoms. Only 2% of those cases had to be hospitalised (National Centre for Immunisation Research and Surveillance).

Under the public health order, all education and care workers, including teachers and education providers, must be fully vaccinated by 8 November 2021. To help protect our kids while they're at school, all school staff are required to wear masks indoors.

Help us keep kids in the classroom!

Back at school and loving it!
